

A large, solid red heart shape is centered on a white background. Inside the heart, there is a mathematical equation in white text. The equation is
$$\rho = 2 - 2 \times \sin(t) + \sin(t) \times \frac{\sqrt{|\cos(t)|}}{\sin(t) + 1.4}$$

$\rho = 2 - 2 \times \sin(t) + \sin(t) \times \frac{\sqrt{|\cos(t)|}}{\sin(t) + 1.4}$
